The Pennsylvania Public Utility Commission requested that the policy-making body for the *Pennsylvania Code* and *Pennsylvania Bulletin* terminate the automatic subscription arrangement for entities regulated by the PUC. See 12 Pa. B. 1096 (April 3, 1982).

As a result, if you are regulated by the PUC (if your mail label carries "PU" on the first line), your subscription to the *Pennsylvania Bulletin* and to the supplements to the *Public Utilities* title of the *Pennsylvania Code* will end on July 1, 1982.

HOW TO CONTINUE RECEIVING THE BULLETIN.
